GREEN ISLAND GARDEN GROUP VISIT FAQ

Why visit Green Island Gardens?

Green Island Garden is a 20-acre garden in Ardleigh, near Colchester, featuring many unusual plants, designed for year-round interest. Due to the unique micro-climate Green Island enjoys, we can grow many plants of borderline hardiness. The woodland provides shelter, so the temperatures is often up to 5°C warmer in summer and 5°C cooler in winter - so the snow lasts just that little bit longer. The gardens have been professionally designed by Fiona Edmond, MA Cantab Dip Hons ISGD, with a passion for trees and shrubs, plants for scent and rarely seen plants.

When is Green Island Gardens open?

January, November and December: 10.00 to 16.00 Tuesday to Saturday

February, March & April- October: 10.00 to 17.00 (or dusk) Tuesday to Saturday and 11.00 to 16.00 Sundays and Bank Holidays

Day & Evening visits outside these hours are available by appointment.

- February features snowdrops and hamamelis in the woodland with a wonderful display of scented flowering winter shrubs.

How much time would you recommend for a visit?

With 20 acres to see, you could spend an entire day at Green Island Gardens, but at minimum we would recommend between 3-4 hours. Many groups combine Green Island Gardens with other gardens in the area. If this is something that your group would like to do, we would recommend limiting the visits to one other garden, for the comfort of the groups.

Why do we need to pre-order food?

We request a pre-order for groups over 10 for a few reasons, mainly to ensure that we have sufficient supplies. As our food is based on fresh produce, we need to specially order in extra supplies to cater for a larger number, especially if there are specific dietary requirements. Secondly, our team is very small, often only 1 or 2 members of staff will care for the tearoom & food preparation. Without a pre-order, lunches would take a significantly longer time to prepare resulting in very long wait times for your group as well as our other customers. We understand that this requirement is additional work for the organiser but strongly believe that it positively enhances the whole garden visit experience for your group.

Do you have catering facilities?

Yes! Our tearoom can cater for 50+ people with our everyday menu offering homemade cakes and light lunches. For special occasions, we have cream teas and traditional afternoon teas, which can be pre-ordered at the time of booking.

Light lunches (toasties, soup, baguettes & jacket potatoes) start at £8.00

Cream tea (scones, jam, cream & tea/coffee) £8.50

Afternoon tea (sandwiches, scone, jam, cream, cake & tea/coffee) £15.00

For groups we offer a special £5.50 cake & tea/coffee, this discount is only available at the time of booking and has to be for a minimum of 20 people or for the whole group if less than 20. We request that any catering required for your group be pre-ordered if group is over 10 visitors. If you cannot supply a pre-order or wish to allow your group to order at their own leisure, it is really helpful to still provide an indication of catering requirements.

How long is a guided tour?

The tour is led by Fiona or one of her knowledgeable staff and consists of a brief history of the house and gardens, followed by a walk around the main borders, water gardens, woodland gardens, seaside garden and finally the Japanese garden and terrace during which Fiona explains the development of the gardens over the last 20 years and points out many of her unusual plants. In total allow 1 1/2 hours with Q&A's afterwards, cost £60.00

The tour is best suited to groups of up to 20 people, sometimes we can run more than one tour at a time to cater for groups over 20.

Are you disabled friendly?

Yes, we are. The grounds are mostly flat, with only one or two slight inclines and steps. For ease of entry into buildings we have temporary ramps, a dedicated disabled toilet and a wheelchair that is available for use.

Is there a shop?

Yes! The nursery has a wide variety of plants for sale, all of which can be seen in our gardens. Inside the tearoom there is a display of photographs and cards for sale.

Do you have parking facilities?

Yes. For regular vehicles entry is on Park Road, follow the signs down the drive, parking is the large lawn on the right opposite the tennis court. For coaches, entry is on the Bromley Road side of the property as this entry has a higher clearance, parking will be on the left opposite the tennis court. We can have a member of staff available to help guide your coach driver into the space for coaches if they require.

Can I take photos?

Photos can be taken at Green Island Garden, provided that the photographs are not for commercial purposes. We do ask that if any images are uploaded to the internet that you mention or tag Green Island Gardens- we love seeing photos from our visitors!

Can I bring my dog?

Unfortunately, dogs are not permitted at Green Island Gardens except for assistant dogs.

Can I bring a picnic?
